FUGATE JOINS NESBITT ENGINEERING, INC.

LEXINGTON KY, JANUARY 14, 2008: Nesbitt Engineering, Inc. is pleased to announce that Donnie Paul Fugate joined the Prestonsburg Office of their company as a Senior Engineering Technician. He will perform computer aided design services and provide support to the professional engineering staff. Donnie completed a B.S. Degree in Industrial Technology from Eastern Kentucky University, and was a graduate of Perry County High School.

The company's president, Paul D. Nesbitt, MBA, PE, LS, stated, "We're always please to add talented and motivated individuals to our staff, especially individuals who are local to the areas in which our offices are based."

With offices in Lexington, Hazard and Prestonsburg, NESBITT provides engineering consulting services in a broad range of disciplines including solid waste management, civil engineering, mining engineering, oil and gas consulting, surveying and environmental sciences.

Donnie Paul Fugate
