## **EDMOND WATKINS, JR. JOINS NESBITT ENGINEERING, INC.**

LEXINGTON KY, OCTOBER 1, 2008: Nesbitt Engineering, Inc. is pleased to announce that Edmond Watkins, Jr. recently joined their company as an Engineering Technician. He will provide AutoCAD support services for oil and gas projects in NESBITT's Prestonsburg Kentucky Office.

"We serve clients in industries where digital design is critical to success", stated NESBITT's President, Paul D. Nesbitt, adding "Eddie will become part of NESBITT's team of AutoCAD technicians whose skills allow us to streamline the design process."

With offices in Lexington, Hazard and Prestonsburg, NESBITT provides engineering consulting services in a broad range of disciplines including solid waste management, civil engineering, mining engineering, oil and gas consulting, surveying and environmental sciences.
